

2021 Spring School on Transferable Skills

Are you thinking about the next step in your career? This 2-day online Spring School will focus on developing skills in grant and CV writing, and how to get a faculty position. We will give an overview of the breadth of interviews that can be expected on your interview journey and will provide a space to practise interview questions. We will discuss about team management and gender equality in academia and research and how improv games may improve your work-life
